

# FOCUSED ON CUSTOMERS' PEACE OF MIND

Parker extended warranty

ENGINEERING YOUR SUCCESS.

# FOCUSED ON TOTAL QUALITY ASSURANCE

In your business, you need equipment you can rely on. When you choose Parker, you are investing in world class engineering and manufacturing excellence, with product solutions designed for a lifetime of efficient operation. And now with the additional peace of mind, you can enjoy a Parker extended warranty for up to 5 years, entirely free of charge.

## Scheduled maintenance taken care of

With the Parker extended warranty, you'll benefit from the certainty that comes with scheduled servicing and expert maintenance carried out by highly trained technicians, using only genuine approved parts and consumables. And should the unexpected happen, you are entitled to replacement parts.

## Freedom to focus on business

As a result, you'll be able to accurately forecast equipment maintenance costs for up to five years ahead. Meaning that you can be confident of maximum production up-time and operating performance of your equipment - leaving you free to focus on developing your business.

“In my business, forward planning  
and cost management are vital”

Managing Director, processing industry company, Germany

PARKER EXTENDED WARRANTY

## FOCUSED ON MAXIMISING EFFICIENCY

All Parker equipment is supplied with one year warranty as standard. And as part of our quality commitment to customers, you are automatically entitled to a further 4 years cover when you purchase from selected ranges, when register your purchase online.

It is completely free - of any cost or complicated process. And there are no insurance claims. All you have to do is register your product within 180 days of the date of invoice, and the extra peace of mind is yours. The only condition is that you maintain your product through an approved Parker service programme.

### Free replacement parts

Extended warranty is available for four years. In the event of any breakdowns or faults, the warranty means that you will be entitled to free replacement parts.

### Expert advice

With the Parker service programme, you can be confident that you're benefitting from the best advice, genuine parts and the highest quality service. So your equipment will always working to its full potential.

### Parker service - you're in good hands

- Parker service quality means that you are always in line with current best practice and industry regulations.
- Parker approved technicians are continually trained on the latest technology and product innovation.
